Urban Agenda for the EU: Multi-level governance in action

The European Commission has updated the brochure ‘Urban Agenda for the EU – Multi-level governance in action’, initially developed and published in 2019, **with the most recent UAEU developments in order to celebrate five years of cooperation and achievements** under this initiative as well as to emphasis its role in supporting innovative and good governance and in implementing the New Urban Agenda (NUA) and connection to the New Leipzig Charter, the Ljubljana Agreement, the review of the UAEU’s contribution to the NUA, as well as answers of UAEU cities to COVID-19.
