

# Policy Learning Platform

**EXPERT SUPPORT**

## Get policy advice

Whatever policy challenge you face in your region, others in Europe might be facing a similar one. They can help with concrete solutions.

Contact our experts via the policy helpdesk and get a list of relevant good practices, publications and contacts. Public authorities can request a peer review or a shorter matchmaking session.

**KNOWLEDGE**

## Learn from policy solutions

Explore recommendations for policymakers through a variety of formats.

Learn from policy briefs and peer review outcomes. Watch webinar recordings. Read news about the latest EU trends and stories featuring good practices and project results.

**PEOPLE**

## Join policymakers' network

Create an account in our community and enjoy full access to our services.

Network with thousands of policymakers. Participate in online and on-site thematic events, contact other community members, receive our newsletter and event invitations.

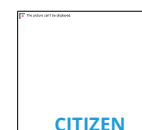

**GOOD PRACTICES**

## Find inspiration or inspire others

Europe is full of policy initiatives which proved their success and have the potential to serve as solutions in other regions and countries.

Our good practice database gives access to over 2,700 successful solutions, shared by our projects, and reviewed and validated by experts. You can share your own.
